**PROTOTYPE AND BACKGROUND INFO:**
The intercity bus was utilized by many companies beyond the typical charter bus companies. Railroads too, utilized these buses for connectivity with passenger trains. As these buses went through their service life, some went into service transporting inmates for the Department of Corrections. A few, went into private hands and repurposed into RVs by collectors.

**MODEL FEATURES:**
- Fully assembled and ready for your layout
- Razor sharp painting and printing
- Interior Detail
- Rubber Tires
- Windshield wipers

**$24.98 SRP**
