Open top cars, such as gondolas, have been a mainstay on railroads for decades as they are ideal for carrying large, bulky loads such as coil steel or scrap metal loaded by crane.

Building on a rich tradition started in 1946, the Athearn® brand is home to the hobby's best-loved models. Athearn has brought the joy of model railroading to you for 75 years, starting from our classic 'Blue-Box' kits to our most recent Genesis® 2.0 line. With accurate detailing and painting, Athearn is the brand that any hobbyist is proud to own and operate. No matter your era or favorite railroad, Athearn truly is "Trains in Miniature."
